Alma Mater

*Our Alma Mater Glorious,
With loving hearts and proud,
We crown thee all victorious
And sing thy praise aloud.
In loyalty we serve thee
And strive to heed thy call,
Mount Vernon, O, Mount Vernon!
Through self to conquer all.*

*You give unfailing kindness
If trouble meet us here;
You foster all our pleasures
And make them seem more dear.
Nor time, nor care, nor sorrow
Can these fair days erase,
But they, with each tomorrow,
Help us new tasks to face.*

*Like Breath of Spring's fresh morning
That lifts the heart to song,
When courage droops and wavers
And paths seem gray and long,
Will come thy dauntless spirit
To help us on the way.
Mount Vernon, O, Mount Vernon!
Hold fast thy tender sway.*

*The changing years may bring us
Some longed for dream of bliss,
Yet memory will cherish
A sympathy we miss.
In hours of joy or sadness,
What'er our need may be,
Mount Vernon, O, Mount Vernon!
Thy children turn to thee.*

Dedication

"You give unfailing kindness"

From the beginning, when you were one of the first we met as Freshmen, we felt that you were already a friend. You worked harder than we did on all of our projects, not only to make them succeed, but to make us succeed as individuals. You have been the tie between our class and the administration. You have had great patience with us and helped to ease our growing pains. We will not easily forget the one who has been our leader, guide, and companion. Miss Marjorie Day, we dedicate the 1959 BELL COTE to you.

The Lloyds

"Thy children turn to thee"

Just as children realize the invaluable assistance which their parents give to them in helping them to grow and mature, so we are indebted to you, Mr. and Mrs. Lloyd. We, as growing children, realize and appreciate your help, but this is just the beginning. In order for children to mature, they must not only appreciate their parents' advice, but they must accept it and use it. Your friendly assistance has helped us to do this, and therefore to become stronger citizens. When children must leave their parents and make a life for themselves, it is the parents' fondest hope that their children will continue in the path that has been set for them. We hope that you will always feel a great sense of pride and accomplishment in your children, the Class of 1959.

Senior Class

The Senior Class of 1959 has in the past two years attempted to maintain those ideals which are upheld by the college. The class functions as a working unit. This harmony has made it possible for each member to

derive a firm sense of loyalty, responsibility, and school spirit. This year the Seniors may be justly proud of the fact that they have created a harmonious atmosphere not only within the class, but also with the Junior Class.

The Prophecy of the Class of 1959

"The changing years may bring us"

Senior Class Prophecy

As we all gather 'round the old tea table in Post Hall at Founders' Day in 19-some odd, we recall the alumnae of the class of 1959. While we croak through the Alma Mater together, we see the old faces in their new roles.

The old room-mate tradition still lives with Carol Adams and Janet Rand, who have opened a joint stable and riding school in Bermuda.

Lee Altsheler and Barbara Martin have set themselves up in business manufacturing synthetic blue grass.

Lucy Annibali just arrived from Long Island where she has established a thriving business, "Mama Luciana's Pizza Palace."

Lynn Aspinwall has become the winning jockey at Belmont Park. All her winnings are going to pay for the machine that squashed her short enough.

Betsy Bayer is waiting by the minutes for the meeting to start.

Carol Best doesn't CARE anymore.

Nancy Bogan has been selected head of the Department of Health, Education, and Welfare.

Martha Boyd has designed a mechanical computer to give, automatically, all the girls at Mount Vernon a 4.0 average.

Ibis Bracken is commuting to Williams from pure habit.

Nancy Brown is busy raising Holly.

Suzanne Brown proved her worth when she completed her third trip around the world in a homemade raft.

As a special treat for the youngsters at Mount Vernon, Caron Burke is bringing down the Annapolis Choir, of which she is now the director.

We hear that Schuyler Campbell, known for her diplomacy, has replaced John Foster Dulles as Secretary of State.

Cary Carmichael has just set a record as star of the U. S. Olympic Track Team.

Neva Chambers has moved to Alaska so she can still be in the largest state in the Union.

We hope that Vicky Cleveland won't arrive in the manner in which she arrived in English Lit.—head over heels.

Isabelle Collier has opened a school in La Grange to teach the society methods of Washington to all of South Georgia.

Edie Davis will probably be dead in another year if she keeps up at the rate she has been going in the past years.

Lynn Dickey gave us all a thrill when she won the International Sailing Regatta.

Margaret Eastham has just strolled in sporting the gold key she received as National President of Phi Beta Kappa.

Judy Evans and Sis Foster are trying to take Merriweather House as a memento of this occasion!

Nancy Farrell has gotten rid of her cracked voice and is singing risqué songs at the Met.

"Dutchess" Ferguson is autographing her new book about her married life entitled "The Duke and I."

Frances Frost is doing "Wunderbar."

We hear that a new course is being offered at Mount Vernon. Sue Galloway is teaching driving.

Cindy Gosling is sales manager of her uncle's business—and is its chief customer.

Good news just gushed in! Anne Gregory and her husband are celebrating the birth of their newest arrival—the richest oil field in Texas.

We haven't heard from Cici Heasley and Carole Williams since they were captured by Indians on the "jinxed" desert in Arizona.

Liz Hellyer still has no earthly idea of what she has done, is doing, or will do.

"Tex" Heyser and Ann Jones have applied for jobs as Fraternity House Mothers at Georgetown. They are trying to get there even though G. U. doesn't have fraternities.

Honey Hunt could not attend the meeting—she is taking a week-end at Heidelberg U. and is teaching the Frauleins how to shimmy.

Julie Hurndall has opened a Travel Bureau in Washington. The only place she lets you go is California.

Judy Jones is now holding the position of highest paid model at John Robert Powers'.

Prudy King is in Switzerland. Enough said.

Heather Kitchel has been elected Mother of the Year.

Harriet League is at the meeting but is busy teaching her little "rambling wrecks" how to buck dance so she can surprise Clarence when she goes back home.

Jinia Ledbetter now knows the "Rules," but is still wondering about that tall Texan.

No one has recognized Wendy Lewis yet because her hair is its natural color.

Louise Loomis is now the big sensation in the African Room with her bongos—she is wearing her Zebra-Striped Bermudas.

Eleanor McGinnis has been unanimously placed on the cartoon staff for "Playboy."

We are happy to hear that Margot Maritz has been elected as the judge of the International Circus Horse competition in Madison Square Garden.

Torrey Matheson came down from New York where she is Chief Stamp Licker for the U.N.

Susie Miles is now living in a grass hut in Okinawa.

Demmy Nuttle is now a social worker in Pakistan.

Barbara Peake has become a jet pilot in the Air Force.

Hope Pine is Gene Kelly's new partner.

Mary Kell Putty, after a year as editor of the Bell Cote, is now working on the year book staff at St. Elizabeth's.

Patsy Scarlett is about to hear the "Pitter" of little feet around the house.

Carolyn Schroeder is now screaming for Gail Price who got lost in the shuffle.

Marnie Sinclair has been around the world twice trying to get away from John.

JoAnne Spence has recently opened up a record shop on the campus of the University of Michigan, and hasn't stopped playing.

Martha Sullivan has realized her life's ambition of going over Niagara Falls in a barrel—she couldn't be with us today.

Ann Sutherland has gotten a job on the Dagnet Show, where she sings "Don da Don Don—"

Belle Turner has just staged the party of the year by entertaining the American Bar Association.

Mary Wayne has taken Miss Herriot's place as the new Speech Instructor at Mount Vernon.

Anne Wellings has become a Dentist as the result of her wisdom tooth operation. Her motto is "No swellings with Wellings."

We were sorry to hear about Ann Whitson's accident—she tripped over her pony tail.

Kitty Williams has profited by her many years of dance by starring in the Folies Bergères.

Junior Class

As Freshmen, you came to us confused but eager to learn. You remained undaunted through Hell Week and proved your sense of co-operation in Freshman Varieties. Through your leaders and participation in activities

you have shown your loyalty to the college. Your spirit has taught the seniors, and will teach next year's Freshmen that you are, and will be, an asset to Mount Vernon.

*For ever and ever the echoes will ring,
To dearest Mount Vernon their praises we sing;
So raise high our colors
And sing loud and clear
Upward, onward, year through year.*

Student Government

"In loyalty we serve thee."

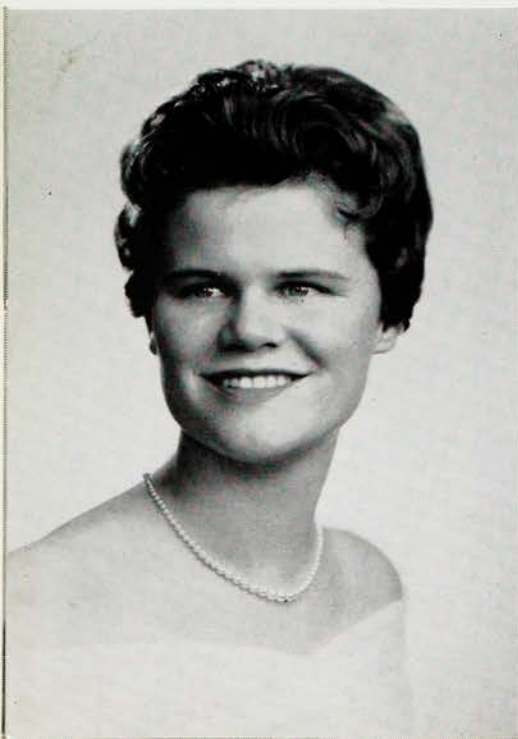

First row: Harriet League, Isabelle Collier, Wendy Lewis, Josephine Perce, Betsy Bayer, Suzanne Brown, Anne Gregory. Second row: Prudy King, Martha Boyd, Patsy Scarlett, Rosy Roth, Edie Davis, Linda Webb.

Cooperative Council

Prudy King
President of the Student Body

The Cooperative Council is a representative body of both students and faculty which meets every other Monday to consider problems, enact legislation, and make recommendations to the Administration concerning all phases of campus life. It is the only organization in the college in which the students and the administration meet on an equal basis to discuss school policies. The members relate the decisions made in the meeting to those whom they represent; thus, the Council creates a vital link between the students and faculty of Mount Vernon.

The membership consists of Student leaders and faculty advisers: the Student Body President, who is President of the Council, the four House Presidents and the Day Student President, the Presidents of both classes, the Presidents of Optima and Honor Council, and three elected representatives of the Freshman class. The faculty membership consists of the President of the College, the Dean, the Social Director and the two Class Advisers.

The Honor Council is composed of a President, who is a senior nominated by the Cooperative Council, two representatives from the Junior Class, and a faculty adviser. Regular monthly meetings are held for the purpose of discussing problems in relation to upholding the Honor Code. The main duties of the members of the Council are to uphold the Honor Code in such a way as to set a good example and to serve as consultants to members of the faculty or of the Student Body for the purpose of explanation or clarification of the Honor Code.

The members of Student Court include the President of the Student Body, the Presidents of the houses, the President of the Day Students, two representatives from each class, and a faculty adviser. This year an amendment to the Student Body Constitution was passed which inaugurated a rotating chairmanship of Student Court. The Court meets every Monday to act upon violations of the Student Court Code.

Day Students

Martha Boyd

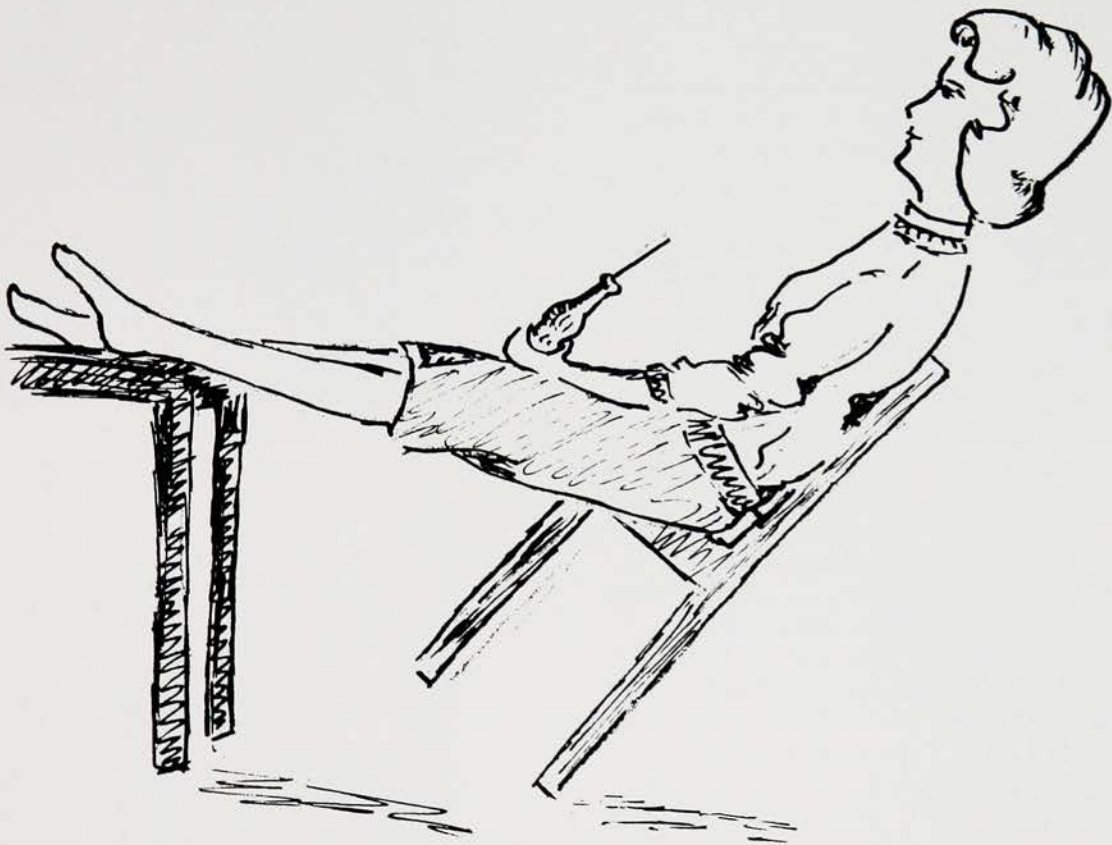

President of the Day Students

The Day Students play an integral part in all Student Body activities. We first see the close relationship between Day Students and Boarders when the Day Student President joins other Student Body officers in September to plan Freshman Orientation. Living off campus, the Day Students have access to facilities which prove advantageous in various student activities. For instance, they have helped the Bell Cote by bringing food from home for a Bell Cote Bake Sale. They have worked with other students in driving around the Washington area on errands for Freshman Varieties and Ingenuity Contest. Although the Day Students Live off campus, they have developed close friendships with the Resident Students and have become a vital part of Mount Vernon.

There were three traditional dances during the year. The Opening Dance was held in Lloyd Hall in October. The Christmas Dance

was held at the Sulgrave Club. The May Day weekend was held on campus, with entertainment and a formal dance. The Calypso Dance, which was added to the calendar this year, was held in March.

The houses were encouraged to use their rec-room facilities for small parties. These included a pizza party at Merriweather and a party at Cole with the Chimes of Georgetown as entertainment. Mixers were also held in Hensley and Clark.

Drama Club

DRAMA CLUB—*First row:* Lee Thorndike, Eleanor McGinnis, Ann Whitson. *Second row:* Elizabeth Bracken, Louise Loomis, President; Prudy King. *Third row:* Nancy Bain, Lynn Aspinwall, Edie Davis, Sheila Brewster, Josephine Perce.

The Drama Club is both a study and a production group. At the beginning of the year the club worked intensively on expression by first acting out pantomimes, and then by acting in scenes from plays of their own choice. In December the group presented a one-act play, "The Apollo of Bellac," which was well received by the Student Body. In May the group joined with the Dance and Glee Clubs in a presentation of "Dido and Aeneas."

The Dance Club gives its members an opportunity to study and develop techniques of the dance. One of its activities this year was the presentation of *The Juggler of Notre Dame* at the Christmas Vesper Service. The Dance Club joined with the Glee Club and Drama Club in presenting "Dido and Aeneas" in May.

In May the Glee Club, Dance Club, and the Drama Club performed "Dido and Aeneas," a musical Greek tragedy. Earlier in the year the group joined in a concert with the prep school and the Valley Forge Military Academy, singing an excerpt from "The Bartered Bride."

Every student is a member of Lend-A-Hand. In the name of Mount Vernon Junior College, the club makes sizeable annual donations to Junior Village, March of Dimes, United Givers Fund, CARE, and Father Flanagan's Boys' Town.

The active members of Lend-A-Hand volunteer their time working at Georgetown Hospital, the CARE Office, and as Gray Ladies.

This year the club held informal meetings and discussions at the homes of various faculty members and gave Christmas and Easter parties for underprivileged children.

The World Affairs Club sponsors speakers and discussions on international relations and current events. The club visited the United Nations Building, and other points of interest in New York. It also helps students to understand the basic purpose of the Church and religion. Ministers from various churches are invited as guest speakers. Group discussions follow the lectures.

The Psychology Club gives its members an opportunity to gain a better understanding of psychology and related subjects. At the beginning of the year, the members of the club selected topics such as hypnosis, the significance of dreams, and the relation of man to his environment. During the year, the group attended six lectures at the Cosmos Club. The club visited various French restaurants and attended French plays. A voting delegate was sent to the New York Conference of the students of the Alliance Francaise.

Chapel

There are few places on campus where one can have a quiet period alone in which to collect his thoughts. The Chapel is one of these places. Dedicated in 1958, it was furnished by the alumnae in honor of Dorothy Lindsay. Tradition is symbolized in the Chapel by the Della Robbia plaque which was brought to this campus from Mount Vernon's old location, and by the Book of Remembrance. Upon the altar is a beautiful Bible. The Chapel has added much to the spiritual life of students of all faiths.

even school books
can't teach you

the value of a Venus de Milo
or make an operatic solo more appealing
than the "Tiger Rag."

It requires a sensitive, perceptive
ear and eye to appreciate their quality.
But the history books *will* tell you
that it is quality which survives
the acid test of time.

Like fine music and art,
fine printing will have a lasting appeal.
The discerning individual will recognize
the quality of a PRIDEMARK product.
